E-mail: riyaz@wmrc.uiuc.edu **Phone:** (630) 472-5336

Project Description: The Waste Management Research Center is seeking to replace the lights in office and laboratory areas with more energy efficient ones and add occupancy centers. This lighting project will not only reduce energy costs and greenhouse gas emissions, but also demonstrate leadership in energy efficiency. Annual savings generated from the project will total \$4,820.

Student Clean Energy Committee:

Stephanie Bogle, 07-08 Committee Chair

Shreyas Sundaram, 07-08 Committee Treasurer
