UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN

Drawing by: Holly Nelson

Date: 4/13/2012

Scale: 1" = 50'

Project Number: 340

Drawing Number: 1/2

Description: Stadium from Neil to First

PROPOSED CAMPUS BICYCLE NETWORK

Notes:

Proposed ramps at east side of Oak Street intersection and sidewalk on south side of Stadium between Oak and First will be 8" thick, have expansion joints at a maximum of 40' apart, have score joints at a maximum of 6' apart, and provide positive drainage at slope of 1/4 inch per foot. A total of 4,756 sq. ft. of pavement to be added.

Parking changes: Remove all parking on south side of street (total of 27 spaces). Keep existing parking on north side of street and add additional spaces as shown (38 total spaces).
