May 27, 2011

Location: The Campus Bike Project, Pennsylvania Avenue

Present: Morgan Johnston, Mike Lyon, Grace R. Kenney, Carl Stewart (partially)

Topic: Agenda for summer

Important notes:

Routine Friday meetings from 3-4 PM at the Campus Bike Project

When talking with vendors, remember SB51 - so make sure not to talk about the information that would require some sort of disclosure. Could make things more difficult. Let Michael handle this part.

Michael has access to some ¿people in administration in Minneapolis.

When Michael goes up to Chicago, Grace can join to do interviews and talks with Chicago-based bicycle-sharing people. Coordinate this ahead of time.

Michael can send us a business plan template to be used for the bicycle sharing program business plan.
