Re: Funding Support for Prairie Project Instructional Workshop
Contact: Barbara Minsker

Dear Barbara:

The Student Sustainability Committee is pleased to inform you that we are recommending to the Office of Sustainability that the Office of Sustainability **be awarded \$5,000** to support the Prairie Project instructional workshop. The Committee expects these funds to be used to provide modest honoraria to participants in the workshop who undertake to make modifications to a course that they will teach next year, to introduce students to facets of sustainability.

The Committee also expects that participants will be made aware of the Committee's support, and that the Office of Sustainability will contribute or raise all other funds needed for hosting the workshop or administering the program after the workshop. The Committee also expects to be provided with an electronic copy of all materials, assessment data and reports generated as a result of the workshop, and that involved staff will be available to meet with Committee members for any needed follow-up or Committee assessment activities. If you have any questions regarding this award, please contact us at sustainability-committee@uiuc.edu.

The Committee will contact you when the Office of Sustainability officially approves this project. Again, thank you for your interest in improving the sustainability of the University of Illinois at Urbana-Champaign. We look forward to working with you in the future.

Sincerely,

Suhail F. Barot
UIUC Student Sustainability Committee, Chair
