

STUDENT SUSTAINABILITY COMMITTEE

Funding Award and Acceptance Letter

October 26, 2017

Project: Eco Illini Supermileage

Dear Mx. Grigus:

On behalf of the University of Illinois at Urbana-Champaign Student Sustainability Committee (SSC), I would like to thank you for considering the funds raised by the Sustainable Campus Environment Fee to implement a project that improves the sustainability of our campus. SSC is pleased to inform you that we are recommending to the Institute for Sustainability, Energy, and Environment (iSEE) that your project **receives \$9,720 in grant funding**. This fully funds all items on your proposal.

In order to remain eligible for this award, you must agree to the following conditions:

1. A final report of all work completed should be provided to the SSC Program Coordinator by January 31, 2020.
2. No funds from this award shall be spent on personal or team travel.
3. Project status updates and detailed account statements must be provided at the end of each semester until the project is completed.
4. The CFOP provided for this award shall strictly be used for the money awarded in this proposal.
5. Any substantial modifications to project scope, budget, or timeline must first be approved by SSC. These requests must be submitted in a formal letter to the Chair and Program Advisor.
6. All projects will be expected to follow campus policies and procedures as well as any applicable State and Federal laws.
7. SSC reserves the right to revoke funding if the project does not comply with the terms and conditions outlined in this letter.
8. Any press releases or educational/promotional materials involving the project should acknowledge SSC funding.
9. Any signage involving the project or events surrounding this project should include SSC's logo and/or a statement of which fee funded the project. Projects must coordinate with SSC to ensure promotion appropriately highlights the SSC's contributions to the project.

If you agree to the terms and conditions for the funding, please sign on the designated line at the bottom of this letter. If you have any questions regarding these requirements please contact the Chair, Julia Chang, at jchang3@illinois.edu or the SSC Coordinator, Cathy Liebowitz, at cwl1517@illinois.edu. You will be notified when the Institute for Sustainability, Energy, and Environment and Vice Chancellor for Student Affairs officially approves this project. Again, thank you for your interest in improving the sustainability of the University of Illinois at Urbana-Champaign. We look forward to working with you in the future.

Project Description:

Eco Illini Supermileage is a student organization at the University of Illinois at Urbana-Champaign that participates in the gasoline category at the Shell Eco Marathon Competition. The goal of the competition is to design, fabricate, and race an extremely efficient gasoline vehicle.

This project provides financial support to purchase an engine and other parts to construct a highly fuel-efficient car. As a resource conservation and transportation project, Eco Illini Supermileage is training its team members and spreading sustainability awareness to students from all majors.

Through social media and showcase events, Eco Illini Supermileage engages the CU community.

The Eco Illini Supermileage experience springboards students' career development and automotive innovation after graduation.

This proposal directly funds:

1. Parts and Supplies
