

## Eco-Olympics Energy Conservation Competition 2017

Dear Eco-Olympics Participants,

**A huge thank you** to each and every one of you for your support! Your time and effort are what make Eco-Olympics bigger, better and stronger each year. This year, we implemented a second award, the participation award, to encourage more students like you to join our mission! I'm happy to announce you rose to the challenge! We reached over 3-times as many students as last year and increased our visibility with a strong social media effort to showcase our efforts. Again, thank you all for doing such a great job; we hope to see you next year!

**I would like to recognize Paul Foote** who is responsible for bringing the competition to this

campus and helping me direct it. Without him, Eco-Olympics would not have all of your support and be the growing success it has become. **Diana Chan** took care of the metering and technical side of things and created our [beautiful dashboard](#) where we can view the results. Most importantly, a huge shout out to every one of the building captains and environmental stewards who lead your teams to promote awareness and behavioral change throughout the competition!

As a campus, we had **11 buildings** and **183 students** participate. The top 5 teams were:

1. **Taft Hall** – 5.4 % reduction (597 kWh) **Winner of energy reduction award!**
2. **Nugent Hall** – 3.5 % reduction (1,848 kWh)
3. **PAR, Saunders Hall** – 2.4 % reduction (380 kWh)
4. **FAR, Trelease Hall** – 2.3 % reduction (1,298 kWh) **Winner of participation award!**
5. **Van Doren Hall** – 1.7 % reduction (198 kWh)

**We are looking forward to next year!** I invite each of you to be a part of the organization team, or attend an informational meeting if you have interest (TBA). Planning for next year will begin in the fall! Feel free to contact me via email with any questions, concerns or comments.

Thank you again!
