

# **SWATeam Recommendation**

Name of SWATeam: Energy Generation, Purchasing, and Distribution

SWATeam Chair: Scott Willenbrock

Date Submitted to iSEE: 2/29/2016

---

Specific Actions/Policy Recommended (a few sentences): Take steps to allow a Power Purchase Agreement for electricity without any restriction on the term of the agreement.

Rationale for Recommendation (a few sentences): Renewable energy developers need long-term agreements to finance the construction of new capacity. The longer the term of the contract, the lower the price they are able to offer for the electricity.

Connection to iCAP Goals (a few sentences): Purchase renewable electricity at the best price.

Perceived Challenges (a few sentences): None

Suggested unit/department to address implementation: University Administration

Anticipated level of budget and/or policy impact (low, medium, high): Low
