5

Other: \_\_\_\_\_

**Untitled Title**

---

**5. How often do you use the recycling bins for plastic bottles & aluminum cans?**

*Mark only one oval.*

- Always
- Occasionally
- Rarely
- Never

**6. How often do you use the recycling bins for PAPER?**

*Mark only one oval.*

- Always
- Occasionally
- Rarely
- Never

**7. How convenient is recycling in your building?**

*Mark only one oval.*

- Very convenient
- Somewhat convenient
- I don't know
- Somewhat inconvenient
- Very inconvenient

**8. Do you think there are enough bottles/cans recycling bins in your building?**

*Mark only one oval.*

- Yes
- No
- Yes, but not in the right places
- I don't know

**9. Do you think there are enough paper recycling bins in your building?**

*Mark only one oval.*

Yes

No

Yes, but not in the right places

I don't know

**10. If recycling bins were placed next to all trash bins, how would it effect the amount you recycle?**

*Mark only one oval.*

Major increase

Minor increase

Have no effect

**Untitled Section**

**11. Are the recycling bins easily distinguishable from trash bins?**

*Mark only one oval.*

Yes

Sometimes

No

**12. Do you have any recommendations to reduce waste & increase recycling efforts in your building?**

---
