

# Cycling Savvy

## Truth & Techniques of Traffic Cycling

**Tuesday, October 23, 2012**

**6:30–9:30 pm at the U of I ARC**

Auditorium, Concourse Level

201 E. Peabody Drive, Champaign

***Everything you need to know to ride  
your bike safely and confidently in traffic***

➤ **The Law**

The rights and responsibilities of cyclists. Cyclists have legal rights that most are not aware of (and responsibilities, too)!

➤ **Bicycle Safety**

Bicycling is safe. Understanding the causes of bicycle crashes and how to avoid them makes bicycling even safer.

➤ **Traffic Cycling Problem-Solving**

Applying Knowledge of the Law and Bicycle Safety to specific traffic cycling situations.

***Open to all from 14 to 101 years,  
regardless of cycling experience.***
