Trip Planner

Ready to roll? You're in the right place. MTD's Trip Planner is easy to use and the most accurate way to plan your trip.

To plan your trip on MTD, you only need two things – a starting point and an ending point. Our Trip Planner has Google built right in, so there's no need to know the exact address of the nearest designated bus stop. Just type in a street, a business name, or even a nearby landmark, and our Trip Planner will find your stop using information from our database and Google search results.
